

Info parents

The digital platform of the primary school in Lycée International Balzac

mission laïque française

What if the digital platform finally becomes a child's game?

one.opendigitaleducation.com

ONE for the little ones and the old ones

from «Petite Section» till «CM2»

Messaging to communicate with the teachers

The channel book to convey important messages and memos

The news to know all about the school life

The documentation space to file your documents

The notebook to learn the lessons

The blog to follow and comment about the class

The multimedia notebook to share the class educational activities

I activate my ONE account

- 1 I go to (one.opendigitaleducation.com) and click on «log in» to the right of the navigation bar.
- 2 I type my username and code, provided by the school.
- 3 I type my personal password and my e-mail address.
- 4 I click on «Activate» and discover my space!

ONE Pocket The essentials at your fingertips!

Download the mobile application ONE Pocket and find the most essential services of your digital space.
